

Dear Chairman Abney and members of House Finance:

I am writing in support of Speaker Shekarchi's Bill, H5223, which would allow the State of RI to enter into a long-term economic development agreement with IGT and Twin River.

I have been a lifelong resident of RI and currently reside at 134 Dexter Street Cumberland, I have reached out to Representative Marszalkowski and shared my concerns.

I believe that this is a good thing for the state's economy and our long-term fiscal health.

Additionally, this agreement will guarantee that thousands of people will have access to good paying employment opportunities right here in RI.

I hope that you will send this bill to the House floor with a recommendation for passage.

Sincerely,

Dave
